1. Go to:  http://www.mce.k12tn.net/reading60/english/comparative.htm

2. Carefully read down the page, and make sure you take the time to fully ingest the information. Stop when you get to the “Practice” section, and answer the following before proceeding:

   A. The comparative form of an adjective or adverb compares ________ things.

   B. The superlative form of an adjective or adverb compares ________ or more things.

   C. To construct the comparative form, we typically add what ending? ________

   D. To construct the superlative form, we typically add what ending? ________

   E. What is “Rule #4”? ________________________________

   F. Provide an example of “Rule #4”: __________________________

3. Now take the 33 question practice quiz. The answers are at the bottom; do not view the answers until you have completed the exercises.

   Are you seeing any patterns of error? Describe: ________________________________

4. Now go to the collection of handouts located on the circular rack near the Instructor on Duty desk in the corner of the WRC. Locate worksheet #24: Comparative Degrees of Adjectives and Adverbs.

5. Complete the worksheet, and then see the attendant at the Information Desk for the answer key. Check your answers. How many did you miss? ______

6. After returning the answer key, see a WRC tutor or an Instructor on Duty with your graded worksheet. Discuss any errors or lingering questions you may have regarding comparative and superlative forms. Ask for a signature below.
