PRONOUN EDITING

In the following paragraph, substitute pronouns for nouns where you think pronouns help the paragraph sound better.

EXAMPLE: Jonathan rode Jonathan's bicycle.

T. S. Eliot was an American and British poet and critic. Eliot was born in St. Louis, Missouri. Eliot graduated from Harvard University and attended Oxford University and the Sorbonne. Settling in London, Eliot became a bank teller. In Eliot's off-hours, Eliot wrote poetry and literary criticism. Eliot's poetry won for Eliot a high place in modern poetry. Many poets looked to Eliot for guidance. Many poets were inspired by Eliot's work. Among the best-known poems that Eliot wrote are "The Wasteland" and "Ash Wednesday."
