**A Career for People on the Go**

Logistics Management at RCC’s Norco Campus is a specialized program for students who plan careers with shippers, carriers, manufacturers, and public agencies. As a Logistics Management student, you will:

- Explore traditional and emerging methods of distribution in the rapidly changing regional, national, and global marketplaces.
- Learn new skills in warehousing, inventory control, traffic management, location analysis, packaging, materials management, and customer service.
- Develop and stretch your management skills and learn how to make business decisions.

Call (951) 372-7068 for more information about the RCC Logistics Management Program. Or email rex.beck@rcc.edu.
