Pronoun Practice: Who / Whom / Whose

Purpose: Upon completion of this activity, students will understand the difference between who, whom, and whose. This DLA should take approximately 45 minutes to 1 hour to complete.

2. Carefully read the entire page on “who/whom/whose.”

3. Answer the following questions:
   A. Subjects _______________ action, and objects _______________ action.
   B. The object form of he is __________.
      The object form of who is __________.
   C. Finish this indirect question: I don’t know _______________ he invited.
   D. What is the function of adjective clauses? __________________________________________

4. Select the Who, Whom, Whose Exercise 1 link near the bottom of the page.

5. Complete the quiz and check your answers (take note of any errors you made and either write them down or print the page).

6. Print WRC worksheet #20 (Pronouns: Who/Whom/Whoever/Whomever) located on the WRC’s web site (http://academic.rcc.edu/wrc). Complete the exercise and get the answer key at the WRC’s reception desk. After correcting your answers, take this sheet, the online quiz, and worksheet #20 to an instructor/tutor for a discussion about any errors you made and any remaining questions you have about the topic. Finally, have that person sign on the line at page bottom.

7. Have the instructor/tutor sign on the line below:

   ___________________________________________  ___________________
   Signature                                      Date

The student demonstrates a satisfactory or better understanding of this issue _____ or more review is needed _____.
